DIRECTORY INFORMATION

Would you like the telephone number published, non-published or unlisted?

- A non-published telephone number is a telephone number, which at the request of the customer is not listed and is not made available to the general public by Colorado Valley Communications (CVC). There is a monthly fee of \$1.00 for a non-published number.
- An unlisted telephone number is a telephone number, which at the request of the customer is not listed in the telephone directory but is made available by CVC to the general public upon request. There is no charge for an unlisted number.
- Caller ID per-call blocking is available, at no charge to any customer who wishes to prevent the delivery of their calling party number to the called party by dialing an access code of *67 immediately prior to placing the call.
- Caller ID per-line blocking is available, at no charge to any customer who wishes to prevent delivery of their calling party number on all calls. Per-line blocking does not prevent transmission of your telephone number when you call a company using an 8XX or 9XX number, therefore, your number may be available to that company’s service representative before your call is answered. Your number can be unblocked on a per call basis by dialing an access code of *82 immediately prior to placing the call.

Do you wish to have Caller ID per line blocking? yes no

Caller Name ID (Customer’s name that will be delivered to their called party.)

Directory Listing Name(s)
(This listing will appear in the Colorado Valley Telephone Cooperative, Inc. telephone directory)

Directory Listing Address (optional)

Community Name (required)
(Community name is necessary for directory assistance inquiry.)

Additional Listings (if desired)
(The fee for each additional listing is 50¢ per month per listing.)

Yellow Pages Heading (Business Only)
(Heading is necessary if customer wants to have listing in yellow pages as well as for directory assistance inquiry clarification, i.e., Colorado Valley Communications is listed under the Heading of “Telephone Companies”.)

AUTHORIZATION INFORMATION

Changes to this account that require a signature shall be made by the applicant only. Changes to the account that do not require a signature (i.e., adding or removing calling features) may be made by a person or persons that the applicant has authorized. If you, the applicant, wish to authorize another person or persons to make changes to your account, please designate the person or persons below.

(Name)

(Relationship)

(Name)

(Relationship)

Your account may be further protected with the assignment of a password. The password is optional.

Password

Answer one of the three security questions below if assigning a password.

1. What is your mother’s middle name?

2. What is your favorite food?

3. What city were you born in?

MONTHLY PAYMENT METHOD

- Check/Cash (Bill via U. S. Mail)
- Automatic Bank Draft (Authorization form required)
- Credit Card (Credit Card Authorization Form required)
- Online Bill Pay via cvctx.com

All services selected by the customer will be billed on a single bill. If the customer selects the Credit Card or the Automatic Bank Draft method of payment, the total amount due will be charged for all services listed on the single bill. If the customer selects Online Bill Pay, this service will be available after receipt of the first invoice.

TERMS AND CONDITIONS – APPLIES TO ANY AND/OR ALL SERVICES PURCHASED

By signing below, I agree to the following statements:

- I am eighteen years old or older and all information supplied by or about me is accurate.
- I have read and agree with the terms and conditions described in Colorado Valley Communications, Inc. (CVC) Internet Access Service Agreement.
- When ordering EXPRESSNET w/ULD or CVLD Unlimited Long Distance, I agree to abide to the terms and conditions described in CVC's unlimited long distance calling Terms and Conditions Policy.
- I agree that any additional equipment furnished by CVC in conjunction with this service remains the property of CVC and shall be returned to CVC upon disconnection of service. A fee will apply if equipment is not returned.
- I agree that the Activation Charge includes "standard activation" of my service(s). Any additional work requested by me and performed by CVC will be billed at the hourly rate of \$75.00 per hour with a minimum of 1 hour.
- I acknowledge and agree that I have been advised of possible 911 limitations.

Applicant Signature	<input style="background-color: yellow;" type="text"/>	Date	<input type="text"/>
---------------------	--	------	----------------------

COLORADO VALLEY COMMUNICATIONS, INC. SERVICE COMMITMENT CONTRACT

In order to receive the discounted Activation Fee when subscribing to services provided by Colorado Valley Communications, Inc. (CVC), the Applicant must understand and agree to the following:

You, the Applicant, agree to subscribe to CVC's service(s) for a minimum of twelve (12) months from the date of activation of the service.

In the event that you terminate your service(s) before completing twelve (12) consecutive months of service or if CVC terminates your service(s) for nonpayment or other default before the end of the 12-month Service Commitment, you hereby agree to pay CVC a Termination Fee in the amount of \$295.00 in addition to all other amounts owed.

CVC Service Applicants with a 12-month Service Commitment who move to a new location before fulfilling their Service Commitment can have their service(s) transferred to the new location. A \$25.00 Processing Fee and a \$75.00 Move Charge are applicable to the Applicant at the time of the move. If the Applicant signs a new Service Commitment for an additional twelve (12) month period, the \$75.00 Move Charge will be waived.

Upon completion of your 12-month Service Commitment, your service(s) is/are provided on a month-to-month basis. No Termination Fee will be charged for the termination of service provided on a month-to-month basis.

In the event that your CVC service(s) is/are disconnected for any reason including nonpayment and is/are not reconnected within three (3) months, your CVC service(s) is/are considered permanently disconnected and the Termination Fee of \$295.00 applies.

- Yes I agree to the terms and conditions in the Service Commitment Contract and wish to execute said contract.
- No I do not wish to execute the Service Commitment Contract.

VoIP and 911 SERVICE

The ability to access emergency service by dialing 911 is available to Colorado Valley Communications, Inc. (“CVC”) Voice over Internet Protocol (“VoIP”) customers.

Emergency 911 service is a standard feature available to all CVC customers. The service enables users to access an appropriate public safety answering point (“PSAP”) by dialing 911. When 911 is dialed with a CVC customer, the call will be routed to the appropriate PSAP if 911 service is available in that area, based on the billing telephone number primary service address assigned to the telephone number.

There are several scenarios that could affect your ability to complete a call to 911.

- **Loss of Electric Service.** Your CVC VoIP voice service is powered by electricity. In the event of an extended power outage, your CVC VoIP voice service, including access to 911 emergency service will not be available.
- **Loss of Internet Connection.** Your CVC VoIP voice service allows you to make calls using an Internet connection, possibly a high-speed (“broadband”) Internet connection, such as Digital Subscriber Line (“DSL”), or wireless broadband. Your CVC VoIP voice service will not be available when the Internet connection fails or becomes overloaded.
- **Non-payment for Service.** Failure to make timely payment for your service may result in suspension or disconnection of dial tone and loss of 911 emergency service access.

Your 911 service is based on the billing telephone number’s primary service address assigned to the telephone number. This information must be updated if the CVC customer changes locations from the address given by the customer upon activation of service. If the service address for the customer is incorrect, the 911 call will assume that the customer is located at the address assigned to the telephone number.

By signing the acknowledgement on your customer application, you acknowledge and agree to all of the information above regarding the limitations of 911 service over VoIP voice service and the distinctions between 911 service over VoIP voice service versus 911 service over traditional telephone service. You also agree to advise all individuals who may place calls over your VoIP voice service of the 911 limitations described above. For your safety, labels informing customers that 911 service may be limited or not available are provided by CVC to be placed on and/or near the equipment used in conjunction with interconnected VoIP service. These labels also allow the customer to insert telephone numbers for “Fire”, “Police” and “EMS” in case of emergency.

TERMS AND CONDITIONS FOR WIRELESS SERVICE

I, the below signed customer, understand that Colorado Valley Communications, Inc. (“CVC”) will provide the necessary equipment to me, and may mount necessary equipment at my service location, in order to provide me with licensed wireless service.

I understand that all equipment provided for the service remains the property of CVC and should the service be discontinued, I shall return any portable equipment to CVC. If there is equipment required to provide the service mounted at my service location, I give permission to CVC to remove the mounted equipment.

I understand that the equipment required to provide the service is the property of CVC and it is my responsibility to ensure that no damage due to loss of equipment, gross negligence, willful damage or vandalism results in the required equipment to discontinue working. If any of the equipment is lost or damaged and requires replacement, I understand that I will be liable for the loss or replacement of said equipment and a fee of \$400.00 will be required to replace any piece of equipment that has sustained loss or damage.

I understand that I will not open, alter, misuse, tamper with or remove any of the equipment as installed by CVC, and will not remove any identity numbers or identifying markings or labels from the equipment. I also agree that I will not permit anyone other than an authorized representative of CVC to perform any work on the equipment.

Service Interruption caused by moving a connection, adding equipment to the network or by other customer actions will be subject to the customary trip charge fee at the hourly rate of \$75.00 plus parts with a minimum of one hour if a CVC employee is required to repair the equipment in order for the network service interruption to be repaired.

By signing below, I agree to the Terms and Conditions listed in this document. I also acknowledge that I have received a copy of said document.
