

## **CUSTOMERS WITH DISABILITIES**

### **RESIDENTIAL**

Colorado Valley Telephone Cooperative, Inc. works with its customers who are hearing, vision or speech impaired, or have mobility or cognitive impairments, or other disabilities, to ensure that their individual telecommunications needs are met. First, we will identify what special needs an individual customer has so that we can help design a telecommunications solution for that person.

### **TELECOMMUNICATIONS RELAY SERVICES**

This service relays calls between a person using a TTY or other assistive device and any other telephone user within the state of Texas. The service also allows a person without a TTY to call a TTY user. Specially trained personnel are available 24 hours a day, 365 days a year to relay the call. Federal and state laws require all call information and conversations to remain confidential. There is no extra charge for this service. To use Relay Texas or obtain more information, including rate information, please call 800-676-3777 or dial 7-1-1.
